General Data Protection Regulation: With your signature you consent to our processing of your personal data (First name, Last name, Institutional and/or private address, Email address) as part of your membership in the AAAS. The AAAS uses your personal data solely for the purpose of recording the status of your membership and in order to contact you about news related to the associations' activities. The AAAS has no intention to process your data for automated decision making including profiling. The General Data Protection Regulation gives members the right to information about personal data, to correction, deletion, and restriction of the processing of the data as well as the right to objection to the processing of the data and the right to data portability. You also have the right to complain to the data protection authority. You have the right to withdraw your consent at any time, without giving any reasons, simply by writing to the AAAS secretary. You may also update your data or have it deleted.
